Dear Huskies,

A big congratulations to our Mighty Huskies Marching Band as they are the first Huskies band to ever qualify for State Championships. Our goal was to qualify and score an 85, we did it! This is a true testament to what you can accomplish with a strong work ethic and diligence. Going to State Champs isn't going to be cheap. Hotel cost is going to be \$7,800 for the entire band. We are working on getting some donations to help cover the cost but would like to ask a contribution of \$40 per student. This can potentially cover \$4,000. If you can, please use the Venmo or Paypal on HWBand.org. You can also share the website link and announcement for community members to donate.
